

Isha Turay - Statement of Interest for Trustee Reappointment

I am standing for reappointment as a trustee of Disability Action Haringey (DAH), a role I have held since July 2022.

I have actively supported the charity by regularly attending board and sub-committee meetings and representing DAH at various events. Throughout this time, I have remained committed to raising the voice of D/deaf and disabled people in the borough.

My involvement with DAH began even earlier, as a member of the original steering group that helped form the charity. During that time, I contributed to discussions around the charity's development particularly on matters of culture and diversity drawing on both my professional insight and lived experience.

As a carer to my disabled husband for over 25 years, and as a disabled person myself, I bring deep personal understanding of the challenges faced by disabled people and their families. This experience has shaped my commitment to ensuring services are accessible, inclusive, and representative of our diverse communities. As a member of an global majority community, I also play a vital role in raising awareness about DAH and the support it provides.

Yvonne Denny – Statement of Interest for Trustee Reappointment

I have had the honour of serving as a Trustee of Disability Action Haringey since the charity was first formed and became operational. It has been a real pleasure to be part of something that makes such a positive difference to D/deaf and disabled people in our community.

Throughout my time on the board, I have always done my best to support the work of DAH, attending meetings and contributing where I can. I've enjoyed working alongside the staff and my fellow Trustees and feel proud of what I've been able to give. I know I'm a team player, and I'm always willing to do what's asked of me.

Although I have recently become completely blind in my left eye, I don't believe this stops me from continuing to contribute meaningfully to DAH. I am still able and willing to give my time, and I would be very happy to continue as a Trustee if the membership feels there is still a place for me. I believe I can continue to offer support, experience, and commitment in a way that adds value to the organisation.

I would like to put myself forward to serve another three-year term as a Trustee of Disability Action Haringey.

Yvonne Denny
